New Address or Email???????

Please make sure you let me know if you are planning on moving or changing your email address. I have received several returned newsletters and emails in the past couple of months. If I don't have your correct info, I can't get the newsletter to you.

Also, if you hear of someone complaining that they have not received a newsletter or email, please ask them if they've recently changed their address or email.

RECEIVE YOUR NEWSLETTER VIA EMAIL!

We'd like to get as many members as possible to receive the newsletter via email. It's very easy. You just need Adobe Reader, which most computers already have. If you don't have it, you can download it for FREE at www.adobe.com/products/acrobat/readstep2.html.

You will also receive the newsletter faster than snail mail and you will receive other information via email, as well as reminders of upcoming events. Please email Ylva or Matt if you'd like to be added to our email list.

(Your email is kept confidential and can not be seen by other members!)

A Web site called www.allnewspapers.com has links to thousands of newspapers all over the world, including some 26 newspapers in Sweden. Best of all it's free!

Thanks to Paul and Judy Lockwood for this information!
